

INFORMATION FOR OUR GUESTS ABOUT COVID-19

Keep safe distance and be responsible

We are all responsible for reducing the spread of the corona virus. Keep at least 1 m to other companies - wheter you're seated in the restaurant or out door.

Wash your hands frequently

Wash your hands for at least 20 seconds before eating, when handling food and after visiting the bathroom. We offer you soap or hand sanitizer. Please remind us if we are out of soap or hand sanitizer and let us refill.

Sit down when you're eating or having a drink

It is not allowed to stand in the bar or beside a table when your eating or having a drink. Please sit down instead.

Stay home if you feel unwell

If you feel unwell with cold symptoms, cough or fever, you should avoid contact with other people. This applies even if you only feel slightly unwell. Welcome back when you feel better!

THANK YOU FOR YOUR RESPONSIBILTY!
